

Changes You Need to Know: The 2009 Manual on Uniform Traffic Control Devices (MUTCD)

Description – This workshop will help participants understand the changes to the 2009 MUTCD Manual and the new applications.

The objectives are: (1) To learn how the MUTCD can be used and its legal status; (2) Review regulatory signs and their application; (3) To identify warning signs and their application; (4) Discuss traffic control devices for low volume roads; (5) Identify school zone requirements and changes and (6) To review Sections 1A, 2A, 2B, 2C, 3C and Section 7B.

Registration Information – This course offering through LTAP is intended primarily for local, state, federal and private agencies. Registration fee is \$25 per person. **Lunch is "on your own"**. Substitutions may be made at any time. Any registrant requiring a reasonable accommodation during training (i.e., mobility or access) should contact the Mississippi LTAP Center prior to the course date so the appropriate arrangements can be made.

Who Should Attend? This workshop will benefit professionals with signing and pavement marking responsibilities. State and local signing staff, engineers, supervisors, public works directors, superintendents, foremen, road managers, enforcement staff, and other safety personnel should attend.

Instructor: William O'Reilly

Time: 8:00 a.m. – 3:00 p.m.
